Student absences from school for any reason other than sickness or doctor or dentist appointments must be approved before the absence. These absences will be added to any other absences the student has accumulated during the semester. Parents/guardians must understand that if a student is absent more than 10% of the instructional time in any class during each semester (10 absences), he/she will not receive credit or a passing grade for that class unless the student has achieved a passing semester grade and has passed the final exam with a 78% or better.
