Dear Parents,

First, allow me to thank you for your patience as we try to navigate this academic year. With our current beautiful spring weather, it may be hard to remember those winter days!

On Friday, Governor Whitmer signed House Bill 4206 which allows for any snow day taken during the declared state of emergency to be counted as days of instruction. The school days affected during the state of emergency were January 29 through February 1, 2019; a total of four (4) instructional days.

With that legislative action, our District will revert back to our original academic calendar. Our last instructional day will be a half day on Wednesday, June 5, 2019. Listed below is our revised 2018-19 Academic Calendar.
