Byron Area Schools

August 6, 2021

This time of year as we prepare for the beginning of school there seems to always be a need for new employees. These opportunities present themselves in various departments and require various types of experience, training and personality. Quite a few people enjoy working in school districts; the work is rewarding and most coworkers are friendly and creative; with weekends and holidays off the schedule is similar to that of students. For families with children still in school this might be important.

If any of this is of interest I'd encourage you to consider applying for any of the positions listed below that are currently available.

- Preschool Lead Teacher (4 year olds)
- Preschool Associate Teacher (4 year olds)
- Preschool Associate Teacher (4 year olds)
- Elementary Art/Media Teacher
- Elementary Special Education Teacher
- Secondary Science/World Language Teacher
- Bus Driver
- Custodian
- Kitchen Assistant

Thanks,

Bob Cassidy, Superintendent
