Byron Area Schools

October 26, 2020

Dear Parents/Guardians,

Today it has been confirmed that a high school student has tested positive for COVID-19. Working through our safety protocols, all students and staff who have been in close contact have been identified and notified. A close contact is defined as a person who is within 6 feet or less for 15 minutes in duration, cumulatively in a 24 hour period.

Please continue to monitor your child for onset of symptoms related to COVID-19, including fever, cough, difficulty breathing, headache, or new fatigue. If you note any changes in the health of your child, please call your regular medical provider.

We must protect the confidentiality of all involved individuals. We will be continuing our classes as well as our athletic seasons as regularly scheduled.

If you have any questions regarding the content of this letter, please feel free to contact me at (810) 266-4881.

Thanks,

Tricia Murphy-Alderman, Superintendent
Byron Area Schools
