## Byron Area Schools District Annual Education Report (AER) Letter

January 21, 2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2019-20 educational progress for Byron Area Schools and our school buildings. The AER addresses the complex reporting information required by federal and state laws. Our staff is available to help you understand this information. Please contact me for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site (<https://bit.ly/3oqBiN2>), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

### Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

### NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

### Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases no status label is given.

<b>School Name</b>	<b>Status Label</b>	<b>Key Initiative to Accelerate Achievement</b>
Byron Elementary School	No label	
Byron Middle School	No label	
Byron High School	No label	

The mission of Byron Area Schools is to educate all students to become productive members of society. The parents, students, and staff continue to work together to support this mission. Our goal is to have each and every one of our students “college and career ready” by the time they graduate from high school.

Because of the interest, support, and participation of our community, we have created and maintained a safe, significant, vibrant, healthy and productive school system. Our schools will continue to prosper and look forward to a bright future.

Sincerely,

Bob Cassidy  
Superintendent  
Byron Area Schools
