## Preschool Programs

### **Four-Year-Old Preschool (Great Start Readiness Program)**

Registration for our Four-year-old Preschool program, GSRP (Great Start Readiness Program), will be held March 2<sup>nd</sup> from 1 pm-6 pm in the Three-year-old Preschool Room. Packets may be picked up that day and completed on-site or you may return them at a later date. We will need a copy of the original birth certificate, immunization record, and 2016 tax records. You will be provided with a health form that must be completed and signed by a doctor. On the back of the same form is a section that must be filled out and signed by a dentist. All paperwork must be completed and returned to us by the first day of Preschool. This includes the birth certificate. All children must be four (4) years of age by September 1<sup>st</sup> and be potty-trained. Please remember this is a risk-factor based program with each child needing at least two risk factors to qualify for funding. Risk factors are determined by completely filling out the paperwork. There are a variety of risk factors with income being the primary focus with a sliding scale for income/number in the family. The staff will meet and determine who fits the criteria and parents will be notified when the grants are awarded. There is no cost for this program if you qualify according to the grant.
